

SEPTEMBER 2016

SCOUT SHOUT!

Welcome everyone to 258's September Pack Meeting. This month's theme is LOCAL HEROS! Police Officers, K-9 Officers, Firemen, and First Aid will be here to meet the scouts, do demonstrations and answer questions about what they do.

The Pack is busy planning more exciting Pack Meetings and events for scouts and family members. If you are interested in helping out with any of the upcoming events, fundraisers, or meetings please let a den leader or one of the pack committee members know.

We are looking forward to a fun and exciting year in scouting.

POP-TASTIC TIME

Fall is in the air and it's popcorn time again. With just a little bit of time, with an adult partner, just walking around your neighborhood, grandparents, or signing up at one of the blitz sales, you can easily sell more than you expected. In addition to winning prizes for sales, the pack earns money for 258's BIG TRIP! Last year the scouts earned a day at the Liberty Science Center and Dinner at Medieval Times. Really pop-tastic day!

This year's BIG TRIP is still in its planning stage, the more money the pack earns the cooler the event (or events). So, *get out there and sell! You know you can do it!*

STAY IN THE LOOP with howellpack258.org

At howellpack258.org you can find information on the pack's calendar: den contacts, scout uniforms—and just where that patch goes, plus more. The pack will be continuously updating information on calendars, camping, family trips, and popcorn. Plus resources like Boy Scouts of America, Monmouth Council, the Boy Scout Trail and the US Scouting Services Project.

And don't forget to check us out on Facebook at [facebook.com/howellpack258/](https://www.facebook.com/howellpack258/)
