

## HOWDY PARDNERS!

### & WELCOME TO 258'S SEPTEMBER PACK MEETING.

*I hope everyone had a great summer and is ready for another great year with 258!*

*This month our Pack meeting theme will be COURTEOUS. And Cub Master Craig has some fun things in store for us with some Wild West type games and activities. What a great way to welcome in our new and returning scouts. So give a great big hand shake to all your fellow scouts, and say "Howdy Pardner!"*

### TIME FOR 258'S POP-CORN KICK-OFF!!!

**YIPPE KI-YAY!** It's popcorn time again! With just a bit a wranglin', a scout can rustle up their **pop-corn sales**, by simply moseying around the neighborhood, chatting with kin-folk 'n' friends, or blitz sales. In addition to lassoing a prize or two, you help raise money towards 258's BIG TRIP! Last year we earned a day at Diggerland and Dinner and an evening at Dave and Busters!

Popcorn forms will be available at the September Pack meeting. Blits sales at your local trading-post (QuickCheck) n' other locations to be announced soon.

Scouts, always go with an adult partner, keep your order-form and money neat and tidy, and always be **COURTEOUS**—and always say **THANK YOU!**

And parents, if your scout sells \$700 (or more), you get \$60 of your registration fee back!

This year's BIG TRIP is still in its planning stage, the more money the pack earns the cooler the event (or events). *So, get out there and sell! You can do it!*

## CUB CHAT CORNER

### Viva Las Road-Trip — By Jonathan Terrana.

This summer I went on vacation to Graceland in Memphis Tennessee with my dad. On the way, there we stopped at The Cherokee National Forest in eastern Tennessee. We hiked 5 miles and saw some water falls. Once we got to Graceland we looked around we saw many rooms including the jungle room. We saw his planes one of them was named after Elvis's daughter. My dad and I also saw some of Elvis's cars like his mother's pink Cadillac and the red MG sports car from Blue Hawaii. Blue Hawaii is one of 31 movies that Elvis starred in my favorite one is Viva Las Vegas. On the way back, we stopped in Nashville, Tennessee at a Johnny Cash museum. Johnny Cash was a friend of Elvis and so was Jerry Lee Lewis. I learned a lot about Elvis and Johnny Cash and had a lot of fun.
